Non-Iterative Three-Dimensional Reconstruction and Representation

By Luke Lincoln

A thesis submitted in partial fulfilment of the requirements of the Degree of Doctorate of Philosophy

School of Information and Communication Technology
Griffith University, Australia

August, 2017

Statement of Originality

This work has not previously been submitted for a degree or diploma to any university. To the best of my knowledge and belief, the thesis contains no material previously published or written by another person except where due reference is made in the thesis itself.
